NEW GRADUATE STUDENT TO-DO LIST

04

New Graduate Student To-do List

As a new student, you will have a myriad of tasks to complete in order to become an established graduate student at UCLA. Below are some of those tasks.

Bruin Card
(310) 825-2336
bruincard@finance.ucla.edu

BruinCard is your University ID card. In addition, this card will serve as your library card (when activated at the UCLA Library), your recreation facilities card, your debit card for purchases at UCLA food facilities and ASUCLA stores, and even as an AT&T calling and discount card. To obtain your BruinCard, you'll need to take a valid form of identification (driver's license, passport, etc.) to the BruinCard Office located at 123 Kerckhoff Hall. The BruinCard office is open Monday through Friday from 9:00 am to 4:00 pm.

For more details about the BruinCard and its features, consult www.bruincard.ucla.edu.

California Residency
(310) 825-3447

California residents do not pay non-resident tuition. **It is your responsibility to apply for residency by the end of your first year.** If you are a US citizen and do not apply for residency, you will continue to be charged non-resident tuition for your second year. **The department will not cover this cost.** Upon arrival in California, a student wishing to gain California tuition residency should establish ties with the state (i.e., get a driver's license/California ID, register automobile, register to vote, change the permanent address on University records to a California address, and file a resident tax return).

Contact the Residence Deputy at 1113 Murphy Hall (310-825-3447) for more residency information. By University policy, only the Residence Deputy is authorized to apply and interpret policy on tuition residency.

Bruin Direct Deposit

Direct deposit for fellowship payments to ensure that you receive your fellowship payments in a timely manner. I have attached step by step instructions. If you wish not to enroll in direct deposit you will receive a paper check mailed to the address you have listed on your www.my.ucla.edu.

Health Insurance

If you have any questions regarding your health insurance, please go directly to the Arthur Ashe Center or take a look at their website:
<http://www.studenthealth.ucla.edu/default.aspx>

Enrollment

You must sign up for 12 units every quarter in order to qualify for financial aid, graduate division awards and appointments, as well as to be considered a full-time student. Please follow the steps below (tutorials about how to use MyUCLA can be found here - see image below).

1. Create a UCLA logon (<https://logon-csb1.logon.ucla.edu/>) and enroll through www.my.ucla.edu
2. If you have any questions as to which courses you should take, please consult with our Faculty Graduate Advisors, **Professor William Schniedewind for Near Eastern Languages and Cultures**, or **Professor Asma Sayeed for Islamic Studies**.

Enrollment (continued)

Academic Resources

MyUCLA On MyUCLA you can review your BAR statement activity, your scheduled financial aid, fellowships, remissions, and other awards, and the actual dates and amounts of your checks and direct deposits. In addition, you can check to see if you have holds on your account that are preventing the disbursement of funds. You can also ensure that all required financial documents have been completed for the Financial Aid Office and the Graduate Student Support Office. Please check your MyUCLA account regularly.

Course Planner, webmail, virtual counseling, GPA calculator, helpful links, grades, class information from professors. <http://www.my.ucla.edu/>

This is where you go to enroll in courses and access your official University academic records. You can also set up and manage third-party access for others to access your data and Billing and Receivable (BAR) account. You can also access BruinAlert, which is in place to alert you in the event of a UCLA emergency. You can receive alerts via email and text messaging if contact information is provided.

General Catalog This is where you can find policies and procedures, course descriptions, prerequisites, unit credit, and additional information. The General catalog is found online at <http://www.registrar.ucla.edu/catalog>. (Updates may be made at any time: be sure to visit link for accurate information.) Prerequisites and other course information can change as often as each quarter.

Schedule of Classes This is where you can find a list of all the courses offered each quarter. It includes discussion sections, final exam dates and times, class sizes and location, and more. The link also leads to information on important deadline dates for the current academic year, registration policies, billing and fees information, financial support, academic counseling, enrollment, official notices, libraries, emergency instructions, student services, and class listings. <http://www.registrar.ucla.edu/schedule>

Registration Fees Registration fees must be paid by September 20 for Fall, December 20 for Winter, and March 20 for Spring. If you received a fellowship package in your original offer letter, please do not be concerned about these dates. Fees can be paid by check, credit card (Visa, MasterCard, Discover), or cash. Questions regarding fees should be directed to the Registrar's Office at 1113 Murphy Hall, 310-825-1091 or see www.registrar.ucla.edu/fees/.

Only academic apprentices (e.g., TAs and Graduate Student Researchers) are eligible for fee deferrals. Apprentice teaching and research appointees are eligible to receive, on request, a deferment of registration fees (and non-resident tuition, if applicable). A fee deferral allows qualified students to postpone paying fees and non-resident tuition for two months beyond the stated deadline.

Fee Payments All students will receive a monthly financial statement from the University which includes most debts to the University, such as registration fees and library fines, and all credits received, including fellowship and TA benefits. Amounts owed are due on the 20th of each month. Overdue balances will incur a late fee which will be charged each month the balance is overdue. You can access this account through MyUCLA under the BAR link.

Incompletes & Removal of Incompletes A grade of "I" can be assigned only if a student has substantially finished the work of a course but is missing one part, typically a final paper or project, and cannot complete the course due to illness or another substantive reason. The student must have been passing the course at the time of assignment of the incomplete. Incompletes should not be given to students who simply would like to finish the course later or delay taking the final. (This gives an unfair advantage to the student, who then has three more months to study for the final.) Students do not re-enroll in the course in order to remove the incomplete; they simply finish the work required under the guidance of the original instructor. Incompletes **MUST** be finished within the next regular quarter (by the end of the following Fall Quarter for Spring courses), or the grade will lapse to an F. To remove an Incomplete (in other words, to assign a grade), contact your course instructor. Your instructor will obtain a Change of Grade/Removal of Incomplete form from your departmental Student Affairs Officer, which will be submitted to the Registrar Office on your behalf. Students may not pick up or return Change of Grade/Removal of Incomplete forms under any circumstances.

Fellowships/Funding You can find a multitude of fellowship opportunities on the Graduate Division website: <http://www.gdnet.ucla.edu/asis/stusup/stusup.htm>. The GRAPES web-site provides information on available external fellowships: www.gdnet.ucla.edu/grpinst.htm.

Graduate Financial Support The Graduate Division publication Graduate Student Support, which reviews all the forms of financial support available to you, is sent to the Department sometime in November and will be forwarded to you. It is your responsibility to read this booklet and act on that information within the given deadlines. Departmental fellowship applications are usually available around the first of December. It is your responsibility to see that your application is complete and on time.

If you received any financial awards and wish for them to be renewed, you must reapply each following year.

Graduate Student Enrollment Graduate students are expected to take responsibility for ensuring that they are enrolled in the necessary units by the end of the second week of the term. All enrollment and drop deadlines are in the printed Schedule of Classes and available on the Registrar's Office website at www.registrar.ucla.edu/schedule. Failure to enroll will result in a late registration fee and will affect departmental funding for the next year. Students are expected to enroll in at least 12 units by week 2 of each quarter.

Community Service Officers (CSO) are available for a walking escort free of charge to students, faculty, staff, or visitors 365 days a year from dusk until 1:00 am. The escort services are provided between campus buildings, local living areas, or Westwood Village within the approximate boundaries of Sunset Boulevard to the north, Hilgard to the east, Wilshire to the south, and Veteran to the west. For added safety, the vans are driven by Community Service Officers who carry two-way radios, providing a direct link to the UCLA Police Department. For a map of the Evening Van routes go to <http://www.ucpd.ucla.edu/ucpd/CSORoute.pdf>. Evening Vans reach every stop approximately every 20 minutes. The service is available Fall, Winter, and Spring Quarters, and the hours of operation are Monday through Thursday from 6 PM until 11 PM. For more information, please call 310-825-9800, or if on campus dial 5-9800.

Earthquake Safety

Earthquake safety instructions are available at: www.fema.gov/hazards/earthquakes/quakef.shtm.

DUCK, COVER AND HOLD.

Indoors: Take cover immediately. Duck under a desk, table, between lecture hall seats or go into a hallway. After the shaking stops cautiously and safely evacuate the building. Do not use the elevators.

Outdoors: Move to an open area. Stay away from buildings, walls, trees and power lines.

In a car: Stay inside the vehicle. Slow down and stop carefully, away from bridges and overpasses. Remember: Do not panic or run for building exits. Tell others around you to take cover. Stay under cover until the shaking stops. Be alert for aftershocks. Stay out of damaged buildings. Never enter a building or parking structure until emergency personnel have examined it for safety. Call 911 for life threatening emergencies only.

Be Prepared: It's important in a research lab where there are glassware, chemicals and large equipment within the lab that you identify a safe place in each room.

- Under the lab bench at the knee spaces
- Under sturdy furniture such as a heavy desk or table
- Against an inside wall
- Away from where glass and chemicals can shatter, or where bookcases or other heavy equipment could fall over.

Health & Safety Resources

Earthquake Safety (continued) Plan Ahead: Fasten shelves securely to walls; place large or heavy objects on lower shelves. Store breakable items such as bottled chemicals, foods, and glass in low closed cabinets with latches. Hang heavy items such as pictures and mirrors away from desks, chairs, and anywhere people sit. Have disaster supplies on hand.

Emergencies 911 or 310-825-1491 Police, Fire, Ambulance, Hazmat spills: dial 911 from any campus phone to contact the UCLA police. From a cell phone call 310-825-1491 for the UCLA police or 911 for Los Angeles 911. When making an emergency call it is important that you try to remain calm and speak clearly so that the operator understands what you are saying. Give your name, location and phone number, describe what happened, and do not hang up until asked to do so.

- Dial from any campus phone to contact the UCLA police
- The UCLA Police Department's campus phone number is 51491 (310-825-1491).
- Dial (800) 900-UCLA for recorded campus emergency information, or 51234 from on campus.
- On-Campus emergency radio broadcast: tune in to AM 810.

Evacuation If it becomes necessary for any reason to evacuate the building, a gathering place has been designated for our department in Dickson Court.

Fire 911 or 310-825-1491 If you discover a fire:

- Remove anyone in the immediate area and close all doors as you leave.
- Activate the nearest fire alarm pull station to evacuate the building and to notify the Fire Department.
- From a campus phone call 911 for UCLA police; they will send the fire department. From a cell phone call 310-825-1491 for the UCLA police or 911 for the Los Angeles 911 operator. Tell them where the fire is and give them any other information they ask for. They will dispatch the Fire Department.
- Attempt to extinguish the fire only if it is safe to do so.
- If there is smoke, stay low. Crawl to the nearest exit if need be. Use stair ways, NOT elevators!
- Before opening any door, feel it near the top. If it is hot, do not open it. Use another exit. If you become trapped, call UCLA emergency number 911 and tell them your exact location and your situation. Place a blanket or similar article along the bottom of the door to keep smoke out. If possible, wet the material first.
- If the door is not hot, open it cautiously. Stand behind the door and be prepared to close it quickly if there is excessive smoke. Leave the area by the nearest stairway that is clear of smoke. Assemble outside in a pre-designated area.
- Do not re-enter the building until notified to do so by the Fire Department.

Police 911 or 310-825-1491 In emergencies, dial 911 from any campus phone. UCLA Police Department: dial 51491 from any campus phone; dial 310-825-1491 from an off-campus phone. Campus information during emergency periods: 800-900-UCLA. The UCLA Police Department web site address is <http://www.ucpd.ucla.edu/>.

Health & Safety Resources

- Active Shooter Incident** If you are in an active shooter incident, find shelter in a classroom, lock the door, and deny entry. If you are outside, find a room in which you can shelter in place. For more information about what to do in an active shooter incident, visit <https://ucla.app.box.com/v/activeshootersafetytips>.
- Bruin Alert System** To receive updates about emergencies on campus, please sign up to receive Bruin Alert messages via text at <https://www.emergency.ucla.edu/bruinalert>.
- First Aid** Supplies for minor cuts are kept in the Humanities 322. If injured, employees should obtain an Employee Referral Slip for Industrial Injury from the Personnel Office in Humanities 361. The Occupational Health Facility is located in the 200 Medical Plaza Building, Suite 224. Students not employed by SEEELC or the departments must go to the Student Health and Wellness Center in the Arthur Ashe Center (near Ackerman Union).
- Hazardous Materials** Call 911 if you feel the spill is an emergency, or if using a cell phone, call 310-825-911 or 310-825-1491.
- If the spill is not an emergency but requires assistance and is during normal business hours (8 a.m. - 5 p.m.), call Environment Health and Safety (EH&S) at 310-825-5689. EH&S maintains a well-trained Haz Mat Team who can handle spills of almost any size or complexity.
 - If you feel comfortable and have been trained in spill cleanup, and if it is a small spill (usually less than a liter of material), you can proceed to clean up the spill yourself or with the assistance of another person.
 - Determining if an item is "hazardous waste" can be difficult. The best policy is to assume all chemicals must be managed as hazardous waste and can only be disposed of through the EH&S Chemical Waste Management Program. Strict sewer, air emissions, and landfill regulations require that hazardous waste not be drain-disposed, evaporated in fume hoods, or disposed of in the normal trash. Contact EH&S for help in classifying waste as hazardous or non-hazardous.
- Occupational Health Facility** OHF is chartered to provide for employee physical care and maintains outpatient clinic services to meet the special needs of employees on the UCLA campus. The clinical staff comprises of highly qualified doctors, physician assistants and nurses. Services include pre-employment physicals, in-service physical evaluations, diagnosis and treatment of work-related illness and injury, return-to-work examinations and physical evaluations, and immunizations to support health maintenance. OHF is located in the UCLA Medical Plaza Building 200 on the second floor, Suite 224.
- Security** Report any suspicious persons or situations to the UCLA Police Department at 310-825-1491 (x51491). Keep windows and doors locked when you are away from the office or lab. Do not keep valuables unlocked; do not keep briefcases, purses, laptop computers, etc., unattended. Also see "Campus Escort Service" above.
- Smoking** Smoking is not permitted anywhere on the UCLA campus.
